

Intentional Teaching Reflection

ET 3: DEVELOPMENTALLY APPROPRIATE PRACTICE AND INTENTIONALITY

Directions:

Answer the following questions after you have viewed the DAP and Intentionality Video Program as part of your Essential Training to reflect on your current teaching practices and to plan for use of intentional teaching formats and strategies in the future. Questions can be answered individually, as a teaching team, with a supervisor, or with your regional child care consultant.

WHAT I KNOW...

What are the four intentional learning formats?

What are some examples of developmentally appropriate teaching strategies?

WHAT I'VE DONE...

How are you currently using different learning formats in your classroom?

How have you provided child-guided learning experiences?

In what types of situations have you used adult-guided learning experiences?

What teaching strategies do you use often? Least often?

WHAT I PLAN TO DO...

What learning format(s) could you adapt, or include in your classroom to support intentional learning?

How do you plan to use a variety of developmentally appropriate teaching strategies in the future to support child learning?
