

Training Instructions

ET 3: CONNECT: Embedded Interventions and Transitions

5 Training Hours

LEARNING OBJECTIVES

- Explain what is meant by embedded interventions to promote participation in inclusive settings
- Use a decision-making process to help a child participate more fully in an inclusive setting through embedded interventions
- Explain what is meant by intentional activities to support planning before, during and after the transition.
- Use a decision-making process to help a child and family be prepared for and adjust to a new environment.

MATERIALS

Training hours will post to your Training Log after completing all steps (1 through 7) for this training. The completion date reflected on your Training Log will be the date the Training Office received your Training Quiz.

1. Training modules:
 - a. Embedded Interventions
 - b. Transition
2. Handouts:
 - a. Training Quiz
 - b. What You Will Learn
 - c. Checklist of Practice
 - d. IdahoSTARS Training Office Cover Sheet

Additional Training Information

IDAHO EARLY LEARNING EGUIDELINES

The importance of embedded interventions and transitions to support children’s growth and learning is highlighted in the [Guiding Principles](#) and Essential Practices of the [Idaho Early Learning eGuidelines](#).

ESSENTIAL TRAININGS

This training is one of the Essential Trainings developed or identified by IdahoSTARS to meet our goal of improving child care through professional development. The Essential Trainings are embedded in Steps to Quality (Idaho’s Quality Rating and Improvement System), and introduce the basics of child development, health & safety, relationships with families & communities, and supporting children with diverse abilities. Think of this training and all Essential Trainings as introductions to a broad subject. You can explore other IdahoSTARS trainings to deepen your knowledge.
