

Quality Improvement Plan (QIP)

Program Name:

Annual Confirmation Month:

NW#:

Quality Standards to focus upon:

Goals (think of the implementation of the standards in your program):

Action Steps to Meet Goal *SMART Goals Are : Specific Measurable Accountable Resources needed Time-bound*

Specific action steps	Who is Responsible	Resources to use	Action Step Due Date	Date/Status of Goal

If your goal/task is not finished, why? What are the main barriers? What is your new goal?

Resources used to achieve goals (check all that apply):

- Environment Rating Scale assessment reports
- Checklists of Practice from IdahoSTARS Essential Trainings
- Technical assistance and coaching visits with CCRC Consultant
- Input from families and staff
- Program self-assessments
- Published standards of quality, like accreditation standards
- Early Learning Guidelines
- Other (please explain)

Dates of Site Visits (Indicate if CCHC visit):

Notes:
